Dear Jose, thanks so much for today's meeting. Below is the request I submitted to DONE on January 17. I have not received a reply. Today represents the 10-day deadline for at least an initial response to a CPRA request.

Have a good weekend. See you on Broadway!

Cordially,

Subject: Skid Row Neighborhood Council - Public records request

Dear Ms. Liu,

Please consider the following to be a request for public records:

- A copy of the stakeholder signatures submitted in support of the proposed Skid Row Neighborhood Council. I understand that these must include the stakeholder's first and last name, contact email and/or phone, type of stakeholder (live, work, own real property, or community interest) and the physical address associated with their stakeholderhood.
- Documentation of the Department's verification of these signatures for their validity.
- The Department's definition of "community interest."
- Procedures to be followed for this proposed new Neighborhood Council election (online, in-person or mail ballots; polling locations; stakeholder identification/verification)

Thank you.
